**LION PLOW, the best Smooth Land Plow in the Market. The noted CYLINDER PLOW, formerly made at Greenfield, also the CONICAL PLOW.**

In addition to our other Side Hill Plows, we are introducing

## THE ONEONTA CLIPPER.

This Plow contains the most remarkable improvements made in Swivel Plows, and which the best New England Inventors have failed in all their efforts to discover. It is the only Swivel Plow behind which the plowman can walk comfortably, with both feet in the furrow while plowing. The SHIFTING HANDLES, vibrating from the center of the beam, bringing the coulter into position at each turn of the moldboard, enables the operator to walk squarely behind the plow, in the furrow. The hook or latch is operated by the foot, so that the plow is turned ready for use without taking the hands from the handles. It is easy to handle, light to draw, firm, strong and durable. Also,

## Prout's Hoeing Machine,

Something new and worth double its cost to any farmer.

We have the exclusive right for the manufacture and sale of the famous RANDALL WHEEL HARROW, with Frank Brammer's Improvements, for the River Counties of Massachusetts, New Hampshire and Vermont.

## THE NEW YORK FEED CUTTER.

All Dealers and Farmers should beware of buying Lever Cutters infringing upon this patent.

We ask particular attention to the Self-Sharpening Feed Cutter, of which we have made and sold over Thirty-six Thousand, and is more popular to day than ever before. Perry's Shear and Lock Feed Cutter, a new Cutter and rapidly gaining in popular favor. One new and valuable feature is its lock, which prevents accidents to children, when not in use. Gale's Junior Feed Cutter, a very popular Cylinder Feed Cutter. The New Lion Cutter, which was first introduced last April, is giving good satisfaction, as it can be easily changed from one length to another.

The RIGHT HAND CORN SHELLER, with which one man can shell corn as easily and as rapidly as two with the common sheller. The Conical or Silver Medal Plow, the best plow for general use in the market.

Also manufacturers of all kinds of AGRICULTURAL IMPLEMENTS, among which are Cultivators of all kinds, Horse Hoes, Share's Tobacco Ridger, Harrows, Corn Shellers, Vegetable Cutters, Road Scrapers, and Warehouse Trucks.

Having facilities for procuring the best of Timber, we take pleasure in saying that we warrant all goods made by us to be of the best material and workmanship. We invite the attention of Farmers and others needing Agricultural Implements to our stock. Circulars and prices sent on application. Address,
