# CHICOPEE CLASSIFIED DIRECTORY

## Rapid Contacts for Sales and Service

Copyright 1931 by The Price & Lee Co.

The Classification of Headings is made in accordance with a Standard List adopted by the Association of North American Directory Publishers, to secure uniformity in all Directories, and to promote convenience of reference. The \* denotes headings inserted by special contract or reference to general headings.

Abbreviations; Ald, Aldenville; C Falls, Chicopee Falls; F, Fairview; Will, Willimansett

## *A Customer calls you up*

gives name, street and number.  
 The name is very indistinct; you  
 want to find it, *Turn to the Pink*  
*Section of this book, find street*  
*and number and you have the*  
*correct name of the customer.*

# WARD BOUNDARIES

The City of Holyoke is hereby divided into seven wards, with boundaries arranged and established as follows, viz :

**Ward One.**—Beginning at the head gates of the second level canal; thence following the center line of the second level canal to its intersection with the center line of Appleton street; thence easterly on the center line of Appleton street and the center line of Appleton street produced, to the Connecticut river and thence northerly by said river to the place of beginning.

**Ward Two.**—Beginning at the intersection of the center line of the second level canal with the center line of Appleton street; thence southerly on the center line of the second level canal to the intersection of the center line of the second level canal with the center line of the third level canal; thence easterly on the center line of the third level canal and third level canal produced, to the Connecticut river; thence northerly along said river to the intersection of the center line of Appleton street, produced; thence westerly on the center line of Appleton street produced and the center line of Appleton street to the place of beginning.

**Ward Three.**—Embracing all that portion of the city lying southerly of the following described line, namely; Beginning at the intersection of the center line of the third level canal produced easterly to the Connecticut river; thence running westerly along the center line of the third level canal produced and the center line of the third level canal to its intersection with the center line of the second level canal; thence southerly on the center line of the second level canal and the center line of the second level canal produced to its intersection with the center line of South street; thence westerly on the center line of South street to its intersection with the center line of Maple street; thence northerly on the center line of Maple street to its intersection with the center line of Ross avenue (west) thence westerly on the center line of Ross avenue and the center line of Ross avenue, produced, to its conjunction with the center line of Beech street; thence westerly on the center line of Beech street to its intersection with the center line of Northampton street; thence northerly along the center line of Northampton street to its intersection with the center line of Winthrop street; thence westerly on the center line of Winthrop street to its intersection with the center line of Hill-

side avenue; thence northerly along the center line of Hillside avenue to its intersection with the center line of Ross Avenue; thence westerly on the center line of Royal avenue produced westerly in a straight line to the westerly boundary line of the city.

**Ward Four.**—Beginning at the head gates of the second level canal; thence southerly on the center line of the second level canal to its conjunction with the center line of Suffolk street produced thereto; thence westerly on the center line of Suffolk Street to its intersection with the center line of School street; thence northerly on the center line of School street and the center line of School street produced in a straight line to the Connecticut river and thence by said river southerly and easterly to the place of beginning.

**Ward Five.**—Beginning at the conjunction of the center line of the second level canal with the center line of Suffolk street produced thereto; thence southerly along the center line of the second level canal to its conjunction with the center line of Hampshire street produced thereto; thence westerly on the center line of Hampshire street produced and the center line of Hampshire street to its intersection with the center line of Elm street; thence southerly on the center line of Elm street to its intersection with the center line of Sargeant street; thence westerly on the center line of Sargeant street to its intersection with the center line of Sycamore street; thence northerly on the center line of Sycamore street to its conjunction with the easterly line of the Forestdale cemetery produced thereto; thence northerly on the easterly line of the Forestdale cemetery to its conjunction with the center line of Poplar street produced thereto; thence northerly on the center line of Poplar street to its intersection with the center line of Appleton street; thence easterly on the center line of Appleton street to its intersection with the center line of Suffolk street; thence easterly on the center line of Suffolk street and the center line of Suffolk street, produced, to the place of beginning.

**Ward Six.**—Beginning at the conjunction of the center line of the second level canal with the center line of Hampshire street produced thereto; thence southerly on the center line of the second level canal and the center line of the second level canal produced to its conjunction with the center line of South street; thence westerly on the cent
